

Santa Ynez River Water Conservation District, Improvement District No.1

Addendum 1

Dated November 8, 2022

CONTRACT DOCUMENTS FOR

Zone 3 Concrete Tank – Cleaning and Repair

Notice is hereby given to prospective bidders that the contract documents for the above project are amended as follows:

Item No. 1 – REQUEST FOR BIDS - Receipt of Bid, Page BR.1

The time stipulated for the receipt of bids has been changed from “before 10:00 AM on the 29th of November 2022” to “before 3:00 PM on the 29th of November 2022”. This change has been made to provide the option for overnight shipment of bids on Monday, November 28, if preferred by bidders. Electronic submission of bids will not be accepted.

Item No. 2 – TECHNICAL SPECIFICATIONS – Water Supply Available to the Contractor, Page TS.1

As stated in section III of the Technical Specifications, water will be supplied at no cost to the contractor from an onsite District hydrant.

Item No. 3 – TECHNICAL SPECIFICATIONS, Bid Item Descriptions – Bid Items 1 and 2, Page TS.2

Discharge water from initial tank cleaning and final rinsing of the floor, floor sump, and floor drain depression shall be discharged to a nearby drainage culvert and ultimately to a nearby pasture. No environmental permit will be required for discharge of washout water.

Note to Bidder: Failure to acknowledge this addendum by number and date, on the Bidder's Proposal, Page BR.7, will render the bid non-responsive and may be cause for its rejection.
